## **Emperador Inc.'s net profit surged by 19% to P1.7b in the first quarter of 2014**

Emperador Inc., the parent company of Emperador Distillers Inc. (EDI), achieved a net income of P1.7 billion in the first quarter of this year, a 19% increase year-on-year. Consolidated revenues reached P7.7 billion compared to P6.6 billion in the first quarter of last year, posting a 17% growth.

EDI managed to sell more volume in the first quarter of this year nationwide. Emperador is the world's largest selling brandy brand and is also the largest liquor company in the Philippines. Emperador brandy is sold all over the Philippines, and is consumed more than other liquor products combined in the country. For instance, seven out of 10 liquor bottles sold in Manila are Emperador brandy.

According to Emperador president, Winston Co: "Emperador is best positioned to take advantage of the country's robust economic growth and to continue dominating the liquor market. Strategic investments are in place to accelerate the growth momentum and expand its global footprint."
