EMPERADOR INC.

Emperador Inc. Increases Public Float to 20%

Emperador Inc. – a leading global brandy and whisky conglomerate – has just increased its public float to 20.1% from the 15.7% level reflected at the end of September 2022.

The increase in float reflects the robust investor appetite for Emperador stock and should improve liquidity of the shares. This welcome development comes at a time when EMI shares have seen greater demand as a result of its dual listing on the Singapore Exchange.

Emperador Inc. is a publicly-listed company at both the Philippine Stock Exchange and the Singapore Stock Exchange. ###
